#### RESPONSE OF RESTRICTION REQUIREMENT

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Responsive to the Examiner's restriction requirement of June 21, 2006, applicants elect to prosecute this application as to Group I, claims 1-15, with Traverse.

Applicants request that the restriction requirement be reconsidered and Groups I and II be examined as a single invention because the method of Group I would inherently involve the report of Group II.

Enclosed, also, is a petition for a one-month Extension of Time.

Also enclosed with this letter is a Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address.

Please send all future correspondence to:
